

Notice of Public Workshop

The Midway Fire District will hold two public workshops dedicated to the District's recently completed impact fee study and the extraordinary circumstances necessitating the need to exceed the phase-in limitation of impact fees as set forth in Florida Statutes. The workshops will be held on Tuesday, September 2nd and Wednesday, September 3rd, 2025, beginning at 10:00 am at the Midway Fire District, 1322 College Pkwy, Gulf Breeze, FL 32563. One or more District Commissioners may attend a public workshop(s).
